

Give It A Go

For graduating NTU IM students

by Yih-Kuen Tsay

Here you came to hear the bell toll.
You exulted, for life had become whole.
That was only a few years ago.

Learning requires your heart and soul.
Only time will allow your knowledge to grow.
Be patient, as the progress will be slow.

How high do you aim for your goal?
Wherever you start, you start low.
There is no need to do a poll.
Just get up and give it a go.

未來由你掌握

給 2012 年台大資管畢業生

流蘇花開 杜鵑花落
歡喜或難受 這路我們一起走過
棕櫚椰林 寶山一座
勤奮或懶惰 多少總有一點收穫

時間的河 恆常不輟
有人愛細水流長 有人要波瀾壯闊
如果真一生平凡 要學會享受寂寞

夢想起飛 不怕犯錯
用全心耕耘未來 任世俗議論功過
明天的無限可能 問自己如何掌握
